Modern detached house with pool and garden in Cala Pi with views to the sea and the island of Cabrera.

On a plot of 700m², this detached house with 125m² of living space, which will be completed in 2022, offers the following layout on two levels: On the ground floor we enter an open plan living area with living and dining room and an open kitchen. Furthermore, we find a bedroom and a

bathroom with shower, as well as a utility room. Upstairs we find two large bedrooms, each with an en-suite bathroom, with a large terrace and sea view. The staircase leads to the large roof terrace, which offers breathtaking panoramic views of the sea, the island of Cabrera and the Tramuntana mountains. These detached houses are equipped with individually controlled hot/cold air conditioning, underfloor heating, telephone and television connections in all rooms, built-in wardrobes in the bedrooms and double-glazed windows and floor-to-ceiling patio doors.

In the spacious outdoor area, we find an illuminated swimming pool of 5 x meters and a covered terrace, which invites you to enjoy the Mediterranean climate all year round and to relax.
