Discover the ultimate living experience in these brand new flats in the heart of Palma de Mallorca! The modern, light-flooded new-build flats of approx. 60m² offer a bedroom with fitted wardrobes, a bathroom, an open-plan living-dining area with an integrated, modern kitchen, which is already fully furnished and equipped so that you can immediately feel at home. Enjoy sunny days on your own small terrace, the perfect place to relax and get some fresh air.

For your comfort and safety, an underground car park guarantees you a convenient parking space at all times. Each flat here also has a private storage room. But that's not all – our flats are equipped with state-of-the-art solar climate technology to not only maximise your living comfort, but also contribute to a sustainable energy supply.

Completion of these dream flats is scheduled for January 2026, and now is your exclusive chance to secure your future home. Don't miss the opportunity to immerse yourself in a luxurious and modern

way of life in the heart of Palma de Mallorca.

Contact us today to find out more about this unique living opportunity and secure your place in the future!
